# Wedding Fare

A BRIDAL SHOWER IS ONE OF THOSE PARTIES THAT IS FUN AND PRACTICAL AT THE SAME TIME. WHEREAS THE FUTURE MARRIED COUPLE WILL RECEIVE GIFTS THAT WILL HELP THEM ESTABLISH A HOME TOGETHER, A BRIDAL SHOWER IS PRIMARILY A NICE OCCASION FOR THE CLOSE FRIENDS AND FAMILY OF THE BRIDE TO SPEND RELAXED TIME WITH HER BEFORE THE BIG WEDDING DAY.

When hosting a day-time bridal shower, you want it to have a feeling of simple elegance. It's a day for the girls to get together and feel like princesses. Pull out your best china and silver. Borrow unique antique pieces from family and friends to complete your buffet. Decorate the table and serving trays with small posies made from flowers that will be used in the bride's bouquet.

Lovely finger foods are the ideal choice of fare.

Dainty tea sandwiches can be as simple as chicken salad or as fancy as lobster egg salad. Since tea sandwiches should be delicate, cut each sandwich in one- or two-bite pieces. Decorative shapes can be made with cookie cutters.

A dramatic presentation can turn a simple item into a spectacular dish. French green beans look divine when served spilling over the side of an antique candy dish. The accompanying curry dip has a refined flavor yet is made from common kitchen ingredients.

A side of baked salmon served with all the accompaniments is easy to prepare. For a short cut, pick up smoked or poached salmon from the market or a caterer.

Edible flowers add a whimsical touch to a bite-sized cupcake. Coconut makes a light and ethereal topping, but your favorite cupcake, homemade or from a bakery, could be substituted.

## COCONUT CUPCAKES

From *The Barefoot Contessa Cookbook* by Ina Garten

- 3/4 lb. (3 sticks) unsalted butter, room temperature
- 2 cups sugar
- 5 extra-large eggs at room temperature
- 1 1/2 tsp. pure vanilla extract
- 1 1/2 tsp. pure almond extract
- 3 cups flour
- 1 tsp. baking powder
- 1/2 tsp. baking soda
- 1/2 tsp. kosher salt

- 1 cup buttermilk
- 14 oz. sweetened, shredded coconut

### For the frosting:

- 1 lb. cream cheese at room temperature
- 3/4 lb. (3 sticks) unsalted butter, room temperature
- 1 tsp. pure vanilla extract
- 1/2 tsp. pure almond extract
- 1 1/2 lbs. confectioners' sugar, sifted

Preheat the oven to 325° F.

In the bowl of an electric mixer fitted with the paddle attachment, cream the butter and sugar on high speed until light and fluffy, about 5 minutes. With the mixer on low speed, add the eggs, one at a time, scraping down the bowl after each addition. Add the vanilla and almond extracts, and mix well.

In a separate bowl, sift together the flour, baking powder, baking soda and salt. In three parts, alternately add the dry ingredients and the buttermilk to the batter, beginning and ending with the dry. Mix until just combined. Fold in 7 oz. of coconut.

Line a muffin pan with paper liners. Fill each liner to the top with batter. Bake for 25 to 35 minutes, until the tops are brown and a toothpick comes out clean. Allow to cool in the pan for 15 minutes. Remove to a baking rack and cool completely.

Meanwhile, make the frosting. In the bowl of an electric mixer fitted with the paddle attachment, on low speed, cream together the cream cheese, butter, and vanilla and almond extracts. Add the confectioners' sugar, and mix until smooth.

Frost the cupcakes, and sprinkle with the remaining coconut.
